ZION CHRISTIAN ACADEMY

"PREPARING THE NEXT GENERATION TO
BECOME WORLD CHANGERS."

**We empower
students to achieve
academic excellence!**

ABOUT US

ACADEMICS

At Zion Christian Academy our highest purpose is to education this generation of students by challenging them in the classroom, encouraging their individual talents, nurturing their spiritual gifts, igniting their passion to serve, and preparing them for greatness.

We partner with each subject with practical life application and introduce students to technology and its impact on our ever-changing world. Our exceptional staff, optimal student-teacher ratio and rigorous curriculum ensure that each student gets the attention and direction they need!

ACCREDITATION

Zion Christian Academy is currently in the process of becoming fully accredited by the International Christian Accrediting Association (ICAA) and Oral Roberts University Educational Fellowship (ORUEF). These programs offer a full range of academic studies with an emphasis on preparation for college entrance. The Middle School students takes the foundational studies of the elementary grades, solidifies the ares of basic knowledge, and develops the skills needed for success in High School.

STUDENT LIFE

Our goal at Zion Christian Academy is to help build strong bonds between our students and an even stronger connection to Christ.

WHO WE ARE

Zion Christian Academy was founded over twenty years ago as a ministry of the Gathering Place Church to provide quality, affordable, Christian education. Though we have grown and progressed through the years. our mission remains the same; to prepare the next generation to become World Changers. We aim to train students who will excel academically, spiritually, socially, emotionally and physically. Our exceptional staff and smaller class sizes ensure that each student gets the attention and direction needed not only to excel but to develop a lifelong love for learning.
